

Appleton Dining Chair

Appleton Collection | Modern | Indoor Dining

Discover the Appleton Dining Chair, a masterful tribute to mid-century Scandinavian craftsmanship. Its sculptural elm wood frame features a continuous curved backrest that flows gracefully into tapered armrests, creating an iconic silhouette that is as inviting as it is beautiful. The generously padded faux leather seat in rich brown provides a warm, tactile contrast to the whitewashed natural wood finish. Perfect for refined dining rooms, creative workspaces, and hospitality settings alike. Sold as a set of two.
